Keyword Exercise

Mind Mapping
You can use mind maps for:
Making notes during a lesson
Planning for an essay
Illustrating a process
Brainstorming
Revising

1. Begin at the centre of your mind map sheet and write the name of your topic/title.
2. Write your main ideas on the larger branches.
3. Use the smaller branches to represent linked ideas.
4. You could also use images or symbols to illustrate your ideas.
